## Description

The fast-pitching Arrow Head uses a side-sloping tunnel design to provide a stable and comfortable bedroom while minimizing packing size and weight. As with all Route Range tents, the pole sleeve is closed at one end to facilitate pole insertion and quick set-up. Vents at each end support the airflow to minimize condensation.

- low packing size and weight
- good ventilation

- Frame Aluminium 7001-T6, 8 mm
- WC 3.000 mm
- WC floor 6.000 mm
