Description

Get ready to rumble!

Here, the airflow in the 4-Wheel-Drive simply can't harm it - no matter how icy and fresh it may be. The sewn-in, fluffy teddy plush lining keeps the cold out perfectly. The intelligent membrane ensures that the cult jacket from SCIPPIS remains windproof, waterproof and breathable at the same time. For an individual fit, there are buttons to adjust the width of the sleeves and waist. The stylish leather collar rounds off the profile of this real Australian outdoor jacket both visually and functionally. The Litchfield Tracker Jacket also has two piped pockets and two chest pockets that can be easily closed with buttons. An inside pocket offers safe storage space for the small and most important items. Are you ready?

Material composition:
