## Description

Probably the smallest washing machine in the world: The Scrubba washing bag offers an enormous washing performance for your dirty laundry in its handy size. Thanks to the built-in knobs, the window, the filling marks and the roll closure, the Scrubba is extremely easy to handle and washes in a short time with amazing results. With double washing power compared to hand washing), water-saving and extremely efficient.

The material used is durable and selected in such a way that the full function is maintained over a long period of time.

In six steps to a clean result: 1. Fill in the laundry and water. Roll 2. scrubba washbag and close. 3. drain air from the bag with the built-in valve. 4. Scrub for 30 seconds to 3 minutes (depending on washing and degree of soiling). 5. rinse laundry with clear water. 6. dry and ready.

Ideal for on the go, for outdoor, camping and leisure.
