Description

Sealskinz Raynham Waterproof All Weather Mid Length Sock

The Sealskinz Raynham is the original, military-trusted waterproof sock built for absolute reliability in any environment. Featuring the brand's signature three-layer **AQUASEALZ™** construction, it protects against water, wind, and harsh conditions while maintaining breathability and comfort. Designed for both men and women, the Raynham Sock excels in hiking, trekking, military use, cycling, and year-round outdoor activity.

Aim of the Product

This sock is engineered to keep feet dry, warm, and blister-free in all weather conditions. Whether crossing wet terrain, trekking through snow, or enduring tropical humidity, the Raynham provides dependable comfort and protection.

ORDER CONFIRMATION

- Military personnel and tactical users
- Hikers, trekkers, and adventure travelers
- Cyclists and trail runners needing waterproof socks
- Professionals working in wet or demanding environments
- Anyone wanting warm, dry feet in harsh weather

Product Use

The Raynham sock is suitable for hiking boots, military footwear, outdoor shoes, and everyday wear in severe weather. It adapts to cold climates, wet conditions, and high-humidity environments thanks to its thermoregulating properties.

Features

- **AQUASEAL™ 3-layer technology:**
 - **Outer:** Extra-durable Polycolon with 4-way stretch for a precise fit
 - **Middle:** 100% waterproof hydrophilic membrane
 - **Inner:** Premium merino wool for warmth, moisture-wicking, and odour resistance
- Guaranteed waterproof, breathable, and windproof
- Military-tested durability and long service life
- Thermoregulating – adapts to hot and cold climates
- Ideal as waterproof hiking or walking socks
- Available in multiple heights (ankle and knee versions also exist)

Specifications

- **Outer Layer:** 62% Polycolon, 29% Nylon, 9% Elastane
- **Middle Layer:** AQUASEAL® waterproof membrane
- **Inner Layer:** 36% Merino Wool, 36% Acrylic, 18% Polyester, 5% Nylon, 5% Elastane
- **Waterproof:** Yes
- **Gender:** Unisex

Size Guide

	UK	EU	US (MEN)	US (WOMEN)	CM (Foot Length)
S	3-5	36-38	3.5-6	5-7	22-23.7 cm
M	6-8	39-42	7-9	8-10	24.6-26.2 cm
L	9-11	43-46	10-12	11-12	27.1-28.8 cm
XL	12-14	47-49	13-15	-	29.6-31.3 cm

Please Note: The measurements refer to shoe size. If you are between sizes or at the top end of a size range (e.g., UK 8-8.5), choose the next size up. Waterproof socks are thicker than standard socks.

ORDER CONFIRMATION

- Machine wash at 40°C / 105°F
- Low tumble dry or drip dry
- Do not iron, bleach, or dry clean
- No waterproofing treatment required – the membrane is permanent

FAQ

- **Are these socks fully waterproof?**
Yes – the AQUASEALZ™ membrane blocks water while allowing moisture and heat to escape.
- **Do they work in hot climates?**
Yes – merino wool and the breathable membrane help regulate temperature in both heat and cold.
- **Are they suitable for military use?**
Yes – Sealskinz socks are widely used by British Armed Forces and tested for harsh field conditions.

Glossary

- **AQUASEALZ™:** A three-layer waterproof system combining durability, insulation, and breathability.
- **Polycolon:** A lightweight, quick-dry synthetic fibre known for durability.
- **Merino Wool:** A natural fibre offering warmth, moisture-wicking, and odour resistance.
