## ORDER CONFIRMATION

---

Measure the circumference of your **dominant hand** just around the knuckles (excluding the thumb). The measurement you get is your glove size – for example, if you measure **9 inches / 23 cm**, you'll need a **Medium** glove.  
*Note:* If the gloves feel too tight, they may reduce circulation and make your hands feel cold. When in doubt, choose a size up for comfort.

## Glossary

- **Aquasealz®:** Proprietary waterproof membrane technology ensuring total protection from rain, snow, and wind while remaining breathable.
- **PrimaLoft® Gold:** Advanced synthetic insulation offering exceptional warmth-to-weight ratio and water resistance.
- **Goatskin Leather:** Naturally supple and durable leather that provides excellent tactile feedback and long-term grip.
