ORDER CONFIRMATION

- **Solid Construction:** Made from durable stainless steel, ensuring longevity and resistance to damage, even under heavy use.
- **Ergonomic Design:** The comfortable handle made from high-quality silicone provides excellent grip and reduces hand fatigue, even during long sharpening sessions.
- **Precise Dimensions:** With optimal dimensions of 300 x 65 x 35 mm, the stone holder offers easy manipulation and accurate positioning of sharpening stones of various sizes.
- **Stability and Safety:** The 630 g weight ensures the holder remains stable and secure during sharpening, preventing unwanted movement and ensuring a safe working environment.

Brand country - Poland.
