Description

The Sightmark Citadel 1-10x24 CR1 riflescope brings close- to mid-range shooters, hunters and law enforcement to the next level.

The Sightmark Citadel 1-10x24 CR1 riflescope comes feature packed with a fully multi-coated lens and fine-etched, red-illuminated reticle with 11 brightness settings. The riflescope includes a second focal-plane CR1 reticle, great for close- to mid-range shooting and quick target acquisition. The Citadel 1-10x24 comes complete with capped low-profile turrets, ½ MOA per click windage and elevation adjustments and BDC reticle calibrated for .223 55-grain ammunition. This riflescope is IP67-rated waterproof, shockproof and fogproof all while including a throw lever and flip up lens covers.

Included in Package

- Flip up lens covers
- Throw lever attachment
- CR2032 battery

Batteries Used

- Type: CR2032

About Sightmark

Best-selling products include red dot sights, riflescopes and chamber laser bore sights. More than one million Sightmark bore sights are in use since first released to the market. Sightmark has earned several patents and awards from industry associations and publications including Field & Stream, Optics Planet, Outdoor Life and Predator Xtreme. Numerous optics and accessories have been field tested and approved by prominent outdoor organizations such as the North American Hunting Club and the National Tactical Officers Association.

Currently, Sightmark represents leading markets growing in more than 40 countries and many quality retailers in every state. Products are sold by top retailers and national specialty chains such as: Academy Sports & Outdoors, Bass Pro Shops, Cabela's, Dick's Sporting Goods, Frankonia, Gander Mountain and many more.
