Description

SILVA 3NL-360 is an all-round compass, suitable for most outdoor activities.

The easy to grip compass housing features a stable, easy to read needle. Patented red/black north-south lines in the capsule bottom ensure easy and safe settling. The baseplate with curved up back end has a magnifying lens for precision map work together with stencil holes for star and control markings in the front.

The scale slide at the tip of the compass is detachable. The included scale lanyard makes it easier to quickly make a distance judgement of your route or to plan your route in advance.

- Detachable distance lanyard with scales to measure longer distances.
- Map measuring scales; 1:15k, 1:25k, 1:50k, mm.
- Rotatable housing - use with the SILVA 1-2-3 System®
