### Description

## Sluban Headquarter M38-B7100 - Military Base Construction Set, 1086 pcs.

The **Sluban Headquarter M38-B7100** is a **comprehensive military construction set** that brings tactical action and creativity together. This set includes everything needed to build a complete army base – from vehicles and heavy weaponry to soldiers and command structures – perfect for imaginative play or as part of a collector's display.

The set features a **helicopter, jeep, military ambulance, watchtower, anti-air artillery position with AA gun, tank, road post, and headquarters building**, along with several **soldier minifigures**. Every detail is designed to immerse builders in realistic military operations while fostering creativity and motor skills development.

Sluban offers one of the most extensive selections of **army-themed construction toys**. As one of the few brands in this category, Sluban stands out for quality, value, and versatility. The bricks are fully **compatible with other major construction brands**, so they fit seamlessly into any
