Description

Sluban STRV103 Main Battle Tank – Construction Set (M38-B1010 #16158)

The Sluban STRV103 Main Battle Tank set brings one of the most iconic armored vehicles to life in brick form. Designed for young builders and military enthusiasts, this medium-difficulty kit offers an engaging challenge and a highly detailed model. Sluban bricks are fully compatible with other major construction brands, ensuring easy integration with existing collections.

Aim of the Product

This set is designed to stimulate creativity, improve spatial thinking, and provide an exciting building experience for children and collectors. With its realistic military theme and functional design, it's ideal for imaginative play or display.

Audience

- Children aged 8-14
- Fans of military vehicles and armored warfare
- Construction toy collectors
- Parents seeking creative, educational toys
