Description

Snigel Admin Case - A4 Document Storage & Carry Bag

The **Snigel Admin Case** is a practical **A4+ document storage and carry pouch** built for field admin, training, range work, and everyday professional use. It keeps paperwork, maps and small electronics protected and organized in one compact, easy-to-carry package.

Designed with durability in mind, the case is **water-repellent and strong** to protect valuable content. Inside you get multiple compartments for **pencils, papers and admin gear**, including a **transparent window pocket** for maps or documents you want to view quickly without taking them out.

For modern work setups, it also includes compartments for **laptop, charger and mouse**. On the outside, **MOLLE bands and Velcro stripes** on the front allow attachment of small pouches and patches, while a **zippered back pocket** adds fast access storage for items you need on the move. A **top carry handle** makes it easy to grab and go.

Key Features

- **A4+ format:** Designed to store and carry A4 documents with extra room
- **Smart internal organization:** Compartments for pencils, papers and admin essentials
- **Map/document window:** Transparent internal window compartment for quick viewing

ORDER CONFIRMATION

- **Water-repellent protection:** Helps protect contents in rough weather
- **Laptop-ready:** Internal compartment for a laptop
- **Accessory storage:** Space for laptop charger and mouse
- **MOLLE + Velcro front:** Attach pouches and patches
- **Back zip pocket:** Additional external storage
- **Carry handle:** Easy transport

Technical Specifications

- **Format:** A4+
- **Dimensions:** 27 × 32 × 6 cm
- **Weight:** approx. 400 g
- **Front:** MOLLE bands + Velcro stripes
- **Back:** Zippered outside compartment
- **Carry:** Top handle
- **Internal:** Organizer compartments + window pocket + laptop compartment

Typical Uses

- Field admin, training documentation and route cards
- Map storage and quick-reference notes
- Transporting a laptop and accessories in an organized way
- Military, law enforcement, security and professional outdoor use

Safety & Use Notes

- Do not overload beyond intended capacity to avoid zipper and seam stress.
- For electronics, use additional waterproof protection in heavy rain.
- Keep zippers free of sand and debris for best long-term performance.

FAQ

Does it fit A4 documents? A4+ format, giving extra space beyond standard A4 for easier handling and storage.

Can I carry a laptop inside? Internal compartment for a laptop, plus additional space for a charger and mouse.

Is it MOLLE compatible? MOLLE bands, and Velcro stripes for patches and identification.

Is it water-repellent? Helps to protect contents in rough conditions, but it is not a fully sealed waterproof dry bag.

Glossary

- **A4+:** Slightly larger than standard A4 to allow easier storage and extra room for inserts.
- **MOLLE:** Modular webbing system for attaching pouches and accessories
