Description

A versatile, light and easy to use pouch for different kinds of grenades which is simple, quiet and easy to access. tab to open the lid. You can now easily grab a grenade.

- Attaches with the tuck back system to the equipment vest
- Pull the large tab to open the flap
- The tab is designed to be easy to use with gloves on
- The front is low cut and has an elastic band in the edge to make it easier to get to a grenade
- The grenade pouch attaches safely on both belt and vest. A grenade sits safely in the pouch with the lid closed
- The lid closes securely with two press buttons for double safety. An elastic band keeps the grenade in place while the lid is open
- There are two positions for the press buttons to accommodate small or
