## Description

12 mm flexible, ergonomic, polyethylene knee pads.

- The knee pads pair are placed in pockets on the inside of the trousers, ribbed side facing inwards, to protect the knees.
- The text "This side towards the enemy" shall be placed towards the outside of the trousers.
- Holes are punched into the knee pads to increase ventilation, making them cooler in hot weather.
- The lower part of the pads can be cut off to adjust the height, so it lands on the knee when you kneel.
- The knee pad can be used in the combat trousers
