## Description

Snigel is most definitely one of the top tactical gear producers in EU. And with this chest rig they are again showing their knowledge of soldier's needs toward tactical gear and solutions.

This chest rig is very comfortable and versatile thanks to its configuration and high versatility.

Features:

- This plate carrier sits very comfortable and tight on your body.
- Adjust it to your size in the shoulders, put it on and pull the strings to make it sit tight. Tighten the webbing in the back.
- Foam ridges on the inside for increased ventilation, comfort and lower trauma.
- Compartments for ballistic panels and ceramic plates on the front and sides
- MOLLE webbing on the yoke, front and sides.
- Three adjustable pouches with elastic loop holder for different 5,56 or 7,62 mm magazines or radios.
- Adjustable elastic strings on the outside to keep the magazines tight.
- Even your pistol with a lamp can be carried in them.
- Top front pocket for maps and other administration gear.
- Small compartments for cleaning kits, light sticks etc. on the inside of the strap on.
- Padded shoulders with cable channels and elastic loops for antennas. Your radio ear piece can be placed under a flap in the yoke when not in use.
