Description

Available for all UK made bags this zip-in-wedge adds around 40cm extra chest room tapering to the foot which is around 7cm. (Sleeping bag not included)

When selecting zip type this should match your sleeping bag.

For use with the following sleeping bags:

- Softie 10
- Softie 12
- Softie 15
- Tactical 3
- Tactical 4

Please note: As expanda panels are made at different time in production to the sleeping bag, occasionally, the Expanda can appear up to 10cm longer or shorter than the sleeping bag. Although the zip tape length is exact, there is a variation on the amount of coil per zip, which the zip manufacturer
