Description

Ionosphere IX WGTE – Our Lightest 1 Person Tent

The Snugpak® Ionosphere IX™ WGTE is a highly compact, ultra-lightweight, one-person tent designed for minimalists who value space efficiency without compromising on protection. This easy-to-pitch tent features a two-pole hooped design that minimizes condensation and provides excellent shelter from all but the harshest weather conditions. The inner tent is constructed with No-See-Um Mesh to keep out bugs and small creatures, making it usable as a standalone mosquito barrier in warm climates.

Features

- **Waterproof Taped Seams:** Provides robust protection against rain and moisture.
- **Front Entry:** Single-point front entry with a small porch area for extra convenience.
- **Storage:** Two internal mesh pockets for equipment storage and a head-end hanging loop.
- **Stakes:** Comes with 16 lightweight alloy Y-stakes, including two spares.
- **Flame Retardant:** For increased safety in the field.
- **Compression Storage Bag:** Compact packing and easy transport.
- **Basic Repair Kit:** Includes essentials for quick on-the-go repairs.
