### Description

The **Snugpak Paratex Liner WGTE** is designed to keep your performance sleeping bag clean during extended periods of use without affecting its thermal properties. Made with Paratex Light fabric, this liner is breathable and wicks moisture away from the body, ensuring you stay dry and comfortable throughout the night. It is an excellent accessory to prolong the life of your sleeping bag and reduce the need for frequent washing.

### Key Features

- Can be used as a travel sheet in hotter climates for added comfort and coolness.
- Breathable fabric with moisture-wicking properties for a dry and comfortable experience.
- Easy to wash and fully machine washable.
- Prolongs the life of your sleeping bag by reducing wear and tear.
