Description

Snugpak Scorpion 2 IX WGTE – Light 2 Person Tent

The Snugpak® Scorpion 2 IX™ WGTE is a sleek, compact two-person tent designed for four-season weather protection. Its 'Fly-First' pitch design allows for fast and easy setup, with an opposing pole structure that minimizes condensation. The inner tent features a No-See-Um Mesh Mosquito Net to keep out insects and other small creatures, ensuring a comfortable and secure sleeping environment.

Features

- **Waterproof Taped Seams:** Enhanced weather resistance for protection in harsh conditions.
- **Single-Point Front Entry:** Offers a spacious vestibule for additional storage.
- **Ventilation:** Three mesh vents to reduce condensation.
- **Internal Storage:** Eight internal mesh pockets for easy organization of equipment, with a head-end hanging loop.
- **Stakes:** Includes 16 lightweight alloy Y-stakes, with two spares.
- **Flame Retardant:** For added safety during use.
- **Compression Storage Bag:** Compact packing and easy transport.
- **Basic Repair Kit:** For quick repairs in the field (glue not included).
