Temperature range Comfort: 5°C.\* Temperature Range Limit: 0°C.\* The Special Forces 1 from Snugpak is a sleeping bag with center zipper, for temperatures above freezing

## Description

#### Snugpak Special Forces 1 WGTE Sleeping Bag

The Snugpak Special Forces 1 WGTE Sleeping Bag offers versatile comfort and can be used independently for above-freezing temperatures or as part of a complete system. When paired with the Special Forces 2 WGTE, this bag can be zipped together to create an extreme cold-weather sleeping bag capable of handling temperatures as low as  $-15\,^{\circ}\text{C}$ . The Special Forces system allows you to adapt your setup to various conditions, providing superior flexibility for any outdoor adventure.

#### How the Complete System Works

The full Special Forces System includes the Special Forces 1 WGTE for abovefreezing temperatures and the Special Forces 2 WGTE for colder conditions down to  $-10\,^{\circ}\text{C}$ . For extreme environments, layer the Special Forces 2 WGTE inside the Special Forces 1 WGTE and secure with an additional zip baffle, creating a sleeping bag suited for temperatures down to  $-20\,^{\circ}\text{C}$ . The design ensures easy use with a central quick-release zip for convenient access.

#### **Key Features**

- ullet Compatible with the Special Forces 2 WGTE to create a -15°C rated sleeping bag
- No stitch-through construction to minimize cold spots
