Description

Snuggpak Special Forces System WGTE Sleeping Bag Set, CZ

The Special Forces System WGTE is a versatile, UK-made sleeping bag system featuring a quick-release center zip. Designed for ultimate adaptability, this system allows you to use the bags individually or layer them together to meet the demands of any environment. The Special Forces System WGTE includes the Special Forces 1 WGTE Bag, ideal for above-freezing temperatures, and the Special Forces 2 WGTE Bag, suited for temperatures down to -10°C. For extreme conditions, join the two bags using the additional zip baffle to withstand temperatures as low as -20°C. This modular system is engineered to provide outstanding warmth and flexibility on any expedition.

Key Features

- **Modular Design:** Use each bag independently or combine them for maximum warmth, creating three different configurations.
- **No Stitch-Through Construction:** Minimizes the risk of cold spots.
- **Exclusive Softie® Premier Insulation:** Provides warmth and comfort with high-performance insulation.
- **Reinforced Foot Area:** Allows you to keep boots on while in the sleeping bag.
- **Elasticated, Drawcord-Adjustable Hood:** For customized fit and added warmth.
