Description

This is one of our most sought after sleeping bag ranges, using state of the art fabrics to keep you dry, comfortable and warm. It combines an antibacterial, water resistant Paratex Steelplate outer coating with a luxurious TS1™ (Thermal Suede) lining, and Reflectatherm fabric which is designed to reflect heat and retain warmth.

The clever construction of the fabrics ensures that any water from the body will be moved to the outside of the bag, and can also add at least 15% additional warmth by reflecting body heat. The outstanding quality and craftsmanship of our UK based production personnel can be seen in our Tactical Series range of sleeping bags.

The Zipper compartment in the hood of the bag opens to a pillow pocket, designed to accommodate the Snuggly Headrest pillow or some clothing in its place to act as a pillow.

- Full length two-way zip
- Mummy style shape for heat retention
- Paratex Steelplate outer shell for water resistance
- TS1™ (Thermal Suede) lining for a luxurious feel
- Softie Premier & Reflectatherm filling for maximum comfort and warmth

Weight: 1100g

Length: 220cm

Width (Chest): 83cm

Width (Foot): 40cm

Pack Size: 18cm(L) x 17cm(W)

Temperature: Comfort: 0°C - Extreme: -5°C
