Description

Snugpak Tomahawk Parka is the performance stronger brother of Spearhead winter jacket with an extended back and an extreme range of -20 degrees. The comfortable winter parka warms you thanks to thick Softie synthetic fiber lining and is also wind and waterproof but still breathable. The cold protection jacket has a generous cut, so you can also put it on over several layers, when not in use you can effectively compress it and store it space-savin.

Should your thermal jacket ever get damp, the strong softie padding will continue to warm you even when damp.

Details:

- Extended back.
- Concealed and lined front zipper with chin guard.
- Fleece lined collar.
- Two-way adjustable and removable hood.
- Internal elastic drawcord at hem.
- Velcro adjustable cuffs.
- Two fleece-lined zip-in pockets.
- One fleece-lined zippered chest pocket (left).
- One fleece-lined zippered upper arm pocket (left).
- One zippered inner pocket.
- Pack sack included.

Comfort temperature range: -15°C.
