### Description

The trusted Snugpak ® Water Resistant Notebook is an often overlooked item of equipment, for any day trip, venture or expedition. The need to write down information in an emergency is often disregarded in this day of smartphone technology, but the lined and gridded pages of this Notebook ensure that information from Grid References to a time-critical ETHANE report for the Rescue Services can be completed easily and quickly. This water-resistant paper can be used with any normal pen or pencils in inclement weather, However, for best results use with a 2B Soft Pencil.

Whether you are making notes on Geology, Geography, Bird Watching or Fishing, the Snugpak Water Resistant Notebook is a favourite amongst Students, Mountain Leaders, Scouts, Cadets and anyone else who enjoys the great outdoors. Interior pages are water and tear resistant, allowing you to make notes using any normal pen or pencils. Lines and Grids provide a clear outline of the pages, for words, numbers and sketches. Available in Orange for Outdoor Use, or subdued Olive, this small 10cm x 15cm Notebook is compatible with the Snugpak Venture Smock Range but can fit into pockets and packs while you venture through the great outdoors. Not only a great addition but essential.

- **Weight:** 80g / 2.8oz
- **Snugpak Venture Smock Compatible**
