Description

Upgrade your current hydration pack with a SOURCE low profile reservoir for pure water taste, Glass-Like™ bacteria resistance, and increased reliability. This kit comes with our UTA Rapid Refill Adapter: refill your reservoir without removing it from the pack! Features also QMT™ connectivity for unlimited flexibility of use with Source accessories, and compatible filtering devices.

Features

- **FDA Approved Materials** All materials in contact with the drinking water are FDA approved. Guaranteed safe and taste-free drinking water.
- **Widepac™ Wide Opening Access** Patented slide closure for easy filling, draining and cleaning. Airtight Seal! (U.S. Patent No. 7,648,276,B2)
- **Integral Refill Handle** For fast and easy refill with no spills
- **Large NC Filler Cap** Air tight, low profile one hand operated. Compatible with commonly used personal filtration systems.
- **Storm™ Push-Pull Valve** features a rounded shape that requires no mouth orientation for easy use.
- **Angled Valve** Turns 360 degrees for perfect valve/mouth orientation. Allows tube to be 25cm shorter. Less excess tube bouncing around on the chest!
