Description

The Spyderco Tenacious is a handy pocketknife for everyday use. Thanks to its textured FRN handle scales, this version is significantly lighter. The leaf-shaped blade is particularly well suited for fine, clean cuts. The stainless 8Cr13MoV blade has a conical grind, which allows for very efficient work. The ridged thumb rest helps with putting pressure on the blade for strong cuts. With Linerlock, lanyard hole and positionable clip.

Type: Pocket Knife

Overall Length: 19,7 cm

• Blade Length: 8,6 cm

• Blade Thickness: 3,1 mm

Weight: 108 g

Blade Material: 8Cr13MoV
