Description

Stilcrin 3-Piece Cleaning Rod for Long Guns, 5 mm Diameter, 710 mm Wiping Length

This **Stilcrin Cleaning Rod** is specifically designed for long guns, offering a compact and durable cleaning solution. With a red PVC coating, it ensures that your rifle barrel is protected from scratches during maintenance. The rod consists of three parts, providing a wiping length of 710 mm, ideal for rifles.

Product Features

- **Durable PVC-Coated Protection:** The red PVC coating shields the rod from damage and protects your firearm barrel from scratches.
- **Compact 3-Part Design:** The 3-piece construction allows easy assembly, transport, and storage.
- **Thread Type:** Features a 1/8" external thread on the brass end, designed for securely attaching brushes. Note: Brushes attach only to the rod itself, not to the extension pieces.
- **Expandable Length:** This cleaning rod can be extended with additional extensions if needed for longer barrels.
