Description

StormCare Apparel Wash & Proof Kit

The **StormCare Apparel Wash & Proof Kit** is a complete cleaning and proofing system, specially formulated for **technical outdoor wear and equipment**. Combining a **pH-neutral cleaner** with an **eco-friendly proofer**, this twin pack restores breathability and renews the **durable water repellent (DWR) finish** of garments, leaving them protected with a patented abrasion-resistant coating.

This kit includes **225 ml Apparel Wash** and **225 ml Apparel Proofer**, both designed for use in a standard wash cycle. Rated as one of the **best-performing solutions in independent testing**, the system saves **time, water, and energy** while keeping your technical gear in top condition.

Aim of the Product

To provide a simple, eco-friendly, and highly effective way to **clean and restore water repellency** to technical outerwear in a single wash cycle.

Audience

- Outdoor enthusiasts and hikers with waterproof apparel
- Skiers, snowboarders, and winter sports users
- Motorcyclists with technical or waterproof gear
- Military, tactical, and professional users of membrane-based outerwear

Product Use

Step 1: Place 1-2 garments in the washing machine (do not overfill). **Step 2:** Add 75 ml Storm Wash to the detergent compartment and 75 ml Storm Proofer to the conditioner compartment. **Step 3:** Wash on a 30°C synthetic or technical cycle with low spin. **Step 4:** Drip dry for at least 20 minutes. **Step 5:** Heat activate by tumble drying or ironing (with damp cloth barrier) if garment care label allows.
Caution: Keep out of reach of children. Avoid contact with eyes and prolonged contact with skin.

Specifications

- **Includes:** 225 ml Apparel Wash + 225 ml Apparel Proofer
- **Formula:** pH neutral, PFC/PFAS/PFOA free
- **Application:** All outdoor textiles including Gore-Tex, Sympatex, eVent
- **Suitable for:** Jackets, trousers, sleeping bags, motorcycle & ski apparel
- **Finish:** Abrasion-resistant water repellency, restores breathability
- **Eco Benefits:** Concentrated solution reduces water use & packaging

Key Benefits

- **All-in-one wash cycle:** Clean and reproof garments in one go
- **Restores garment breathability** by removing dirt and contaminants
- **Renews DWR performance** with eco-friendly, PFC-free formula
- **Saves time, energy, and water** compared to multi-step processes
- **Safe for technical fabrics,** membranes, and synthetic materials
