Description

StormCare Apparel Wash

The StormCare Apparel Wash is a specially formulated cleaner designed for technical outerwear and equipment. With a pH neutral, odourless, and ecofriendly formula, it gently removes dirt, sweat, grease, and contaminants that compromise breathability and durable water repellency (DWR).

Unlike regular household detergents, this wash does not contain bleaches, enzymes, or brighteners that can damage performance fabrics. Suitable for both cotton and synthetic garments, including Gore-Tex, Sympatex, eVent and other high-performance membranes.

Available in single-wash and three-wash bottles, StormCare Apparel Wash revitalises garments, prolongs fabric life, and prepares items for reproofing with StormCare Proofer if needed.

Aim of the Product

To clean technical garments safely while preserving DWR coatings, ensuring garments remain breathable, waterproof, and ready for extended use. Ideal for both regular maintenance and preparing outerwear for reproofing.

Audience

- Outdoor adventurers and hikers
- Skiers, snowboarders, and climbers

Reg. No. 45403 LV45403038162,

Legal address: Baznīcas iela 8, Aizkraukle, Aizkraukles novads, LV-5101, LATVIJA

Bank Account: LV87UNLA0050021387494 AS SEB Bank, SWIFT: UNLALV2X

ORDER CONFIRMATION

- Motorcyclists using technical gear
- Anyone seeking eco-friendly garment care

Product Use

Shake the bottle and pour **75 ml of StormCare Apparel Wash** into the detergent compartment. For garments needing reproofing, add **StormCare Apparel Proofer** into the conditioner compartment. Wash following garment care guidelines at 30°C on a synthetic low spin or sport setting. **Drying:** Drip dry for 20 minutes, then tumble dry or iron with a damp cloth if proofing was applied, to activate DWR performance.

Caution: Keep out of reach of children. Wash hands after use. Avoid contact with eyes and prolonged contact with skin.

Specifications

• Sizes: Single wash & three-wash bottles

• Formula: pH neutral, odourless, free from optical brighteners

• Active Ingredients: Naphthalene sulfonate, Anionic

• Suitable for: Cotton, synthetics, Gore-Tex, Sympatex, eVent

• Eco-status: PFC, PFAS & PFOA free

Key Benefits

- Restores breathability by removing dirt and oils
- Prepares fabric for reproofing with StormCare Proofer
- Gentle to fabrics, preserves DWR coatings
- Safe for membranes like Gore-Tex, Sympatex & eVent
- Eco-friendly, pH neutral and odourless

For best results, combine with $\underline{StormCare\ Apparel\ Proofer}$ to restore water repellency, or choose the $\underline{StormCare\ Apparel\ Twin\ Pack}$ for a complete cleaning & proofing solution.
