Description

StormCare Base and Mid Layers Wash (Wash in) - 225 ml

The **StormCare Base & Mid Layers Wash** is a *specialty formulated performance cleaner* designed to improve the functionality and comfort of **base and mid layer garments**. Unlike shell garments that repel water, base and mid layers are built to move moisture through the fabric, keeping your body temperature regulated. Over time, bacteria, sweat, and body oils reduce fabric performance and cause unpleasant odours.

This **pH balanced, hypoallergenic wash** gently cleans natural and synthetic fabrics, restores moisture wicking, speeds drying, and combats odour build-up with silver ion technology. By using StormCare Base & Mid Layers Wash, your garments regain their original performance and feel fresher for longer.

Aim of the Product

To **increase performance and comfort** of base and mid layers by improving wicking properties, reducing odours, and preserving softness, ensuring garments continue to regulate body temperature effectively.

ORDER CONFIRMATION

- Athletes and gym-goers seeking odour-free, fast-drying sportswear
- Outdoor enthusiasts using technical base layers and fleeces
- Everyday users looking to maintain comfort in undergarments and activewear
- Professionals who rely on base layers for work in demanding environments

Product Use

Shake bottle before use. Pour **100 ml into the detergent compartment** of your washing machine and wash according to garment manufacturer's care instructions.

Note: Not suitable for waterproof garments. For outer shells, use [StormCare Apparel Wash](#) and re-proofers. Always check care labels before washing.

Specifications

- **Volume:** 225 ml (Wash in)
- **Formula:** Inorganic salts, surfactants
- **Features:** pH balanced, hypoallergenic, odour control technology
- **Suitable for:** Natural & synthetic materials
- **Performance:** Increases wicking, reduces odour, speeds drying time

Key Benefits

- **Improves moisture wicking** - speeds up moisture transfer for comfort during activity
- **Reduces odour build-up** - combats bacteria and lingering smells
- **Maintains softness** - keeps fabrics gentle against the skin
- **Hypoallergenic formula** - safe for sensitive skin
- **Enhances garment longevity** - extends performance life of base and mid layers

Recommended For

- Technical base layers
- Gym wear and sports apparel
- Undergarments
- Technical fleeces

Safety Information

⚠ Warning: Causes serious eye irritation. Keep out of reach of children. Wash hands after contact. Wear protective gloves. If in eyes, rinse cautiously with water for several minutes.
