Description

StormCare Down Wash (Wash In), 225 ml

The **StormCare Down Wash** is a **specially formulated, pH-balanced cleaner** designed for all down-filled items such as jackets, trousers, sleeping bags, and quilts. Household detergents strip away the natural oils from down clusters, reducing loft and insulation. StormCare Down Wash gently cleans while **preserving natural oils**, maximizing loft, and ensuring long-lasting warmth and breathability.

Each 225 ml bottle provides **three washes** and can be combined with Storm Down Proofer in the same wash cycle to restore both cleanliness and durable water repellency (DWR).

Aim of the Product

To **clean and rejuvenate down gear** without damaging delicate down fibers or removing their natural protective oils, ensuring maximum insulation and garment longevity.

Audience

- Outdoor enthusiasts with down jackets, trousers, gloves, or sleeping bags
- Hikers, climbers, and winter adventurers needing warm, well-performing gear

- Travelers and campers using down quilts and insulated apparel
- Anyone seeking a safe home-cleaning solution for down items

Product Use

Shake well before use. Pour **75 ml into the detergent compartment** of your washing machine. For proofing, add 75 ml of Storm Down Proofer into the conditioner compartment. Use a **30°C delicate or sports cycle**.

Drying: Drip dry for 20 minutes, then tumble dry on low. Pause periodically to manually plump the item, ensuring the down is evenly distributed. For best results, use *Storm Down Balls* to maximize loft.

Caution: Keep out of reach of children. Avoid contact with eyes and skin. Wash hands after use.
