Description

StormCare Merino & Wool Wash, 225 ml

The **StormCare Merino & Wool Wash** is a **specialized pH-balanced cleaner** (5-7) designed to care for merino wool and wool garments. Unlike harsh detergents that strip natural oils, this formula gently cleans while maintaining **softness, elasticity, and breathability**. Wool's unique thermal regulation properties - keeping you warm in cold and cool in heat - are preserved, ensuring your garments remain comfortable and long-lasting.

This concentrated 225 ml bottle provides **three washes** and is suitable for base layers, mid-layers, blankets, hats, gloves, and scarves. By protecting fibers from hardening, shrinking, and becoming scratchy, StormCare Merino & Wool Wash **extends garment life** and restores their natural performance.

Aim of the Product

To **gently clean and protect wool fabrics**, maintaining their natural softness, insulating qualities, and humidity-regulating properties.

ORDER CONFIRMATION

Audience

- Outdoor enthusiasts wearing merino and wool layers
- Owners of wool blankets, scarves, gloves, and hats
- Hikers, skiers, and travelers using wool mid- and base layers
- Anyone seeking a safe, pH-balanced wool cleaner

Product Use

Shake the bottle before use. Pour **75 ml into the detergent compartment** and wash according to garment manufacturer's care instructions. Use a wool cycle or hand wash at low heat.

Drying: Lay flat on a clean towel to absorb moisture. Do not hang, as garments may stretch. Avoid direct sunlight or strong heat sources.

Caution: Keep out of reach of children. Avoid eye contact and prolonged skin contact. May cause allergic reactions. Wear protective gloves if hand washing.

Specifications

- **Volume:** 225 ml (approx. 3 washes)
- **pH Level:** 5-7 (wool-friendly)
- **Properties:** Gentle cleaning, prevents shrinkage, maintains softness
- **Suitable for:** Merino & wool base layers, mid-layers, blankets, hats, scarves, gloves
- **Eco-Friendly:** Concentrated formula, reduced water content

Key Benefits

- **Preserves wool's natural softness** and prevents scratchy fibers
- **Maintains thermal regulation** properties of wool
- **Prevents shrinkage** and fiber damage
- **Extends garment lifespan** with gentle, pH-balanced care
- **Eco-conscious concentrated formula** - fewer resources, less waste
