Description

StormCare NON SCRATCH SPONGE

The **StormCare Non-Scratch Sponge** is designed to **gently but effectively clean gear and apparel** without damaging delicate fabrics or coatings. When soaked with water or cleaning solution, its patented **blue non-scratch surface** safely lifts dirt, bird lime, stains, and other contaminants without removing **original DWR (Durable Water Repellent) treatments**. Ideal for cleaning **tents, outerwear, footwear, and technical fabrics**, this sponge is the perfect partner to Storm's range of cleaners and care products. By maintaining fabric integrity, it extends the lifespan of your gear and keeps it performing at its best.

Aim of the Product

Designed as a **fabric-safe cleaning tool**, the StormCare Non-Scratch Sponge ensures thorough stain removal without compromising the material. It is especially useful for delicate or treated gear where traditional cleaning

tools may cause damage.

Audience

- Outdoor enthusiasts and campers
- Hikers, climbers, and adventurers
- Athletes and sports equipment users
- Anyone caring for technical apparel, footwear, or tents

Product Use

Wet the sponge with clean water or a cleaning solution. Use the **blue textured side** to loosen dirt and stains, then finish with the soft sponge side to wipe clean. Always ensure the sponge is wet before use to activate its non-scratch properties.

Caution: Keep out of reach of children.

Specifications

- **Patented non-scratch surface:** safe for fabrics and coatings
- **Function:** lifts dirt, stains, and bird lime without abrasion
- **Application:** tents, backpacks, jackets, boots, helmets, sleeping bags, sports gear, saddles, gloves, trousers, hats, goggles
- **Material compatibility:** cotton, polycotton, wool, down, leather, suede, waxed fabrics, softshell, fleece, technical textiles

Key Benefits

- Safe cleaning - will not scratch or damage fabrics
- Maintains **DWR treatments** and fabric performance
- Removes stubborn stains and dirt effectively
- Extends the life of technical and outdoor gear
- Lightweight, reusable, and versatile for multiple gear types
