Description

The Strike Industries Dummy Rounds are the perfect training and function test tool. They allow feeding, extraction, and magazine function testing without the worry of accidental discharge. Keep training costs down and your fundamentals sharp by dry fire training without risking damage to the firing pin.

These high-density polymer dummies can't cause corrosion in your firearm. Red for extra visibility.

Features:

Durable polymer construction

(5) Dummy rounds

(1) Key ring

Makes a great chamber lock or mag release tool

Wear as a key chain, necklace, etc...

Strike Industries products are designed by shooting experts for the shooting sportsman.
