Suited Systems CloseRange 30L Assault Backpack

The **Suited Systems CloseRange 30L Assault Backpack** is the result of years of design refinements, field tests, and material innovations. Compact yet highly versatile, this 30-liter backpack (58 × 36 × 23 cm) has been tested in **tactical exercises, military training, hunting trips, and demanding hikes**. It has proven itself to withstand abuse, heavy loads, and extreme environments – even after tough use, a simple wash brings it back looking nearly new. Proudly **made in Europe**, this backpack is built with strict quality control and the best materials, ensuring durability and mission-ready performance.

Designed as a **multi-purpose assault pack**, the CloseRange 30L is perfect for quick missions, specialized tasks, or short outdoor expeditions. Its combination of compact size, load-carrying comfort, and modular expandability makes it a highly functional piece of tactical gear. Ideal for **military personnel, law enforcement, hunters, outdoor adventurers, and survivalists** who need a tough, ergonomic, and IRR-compliant assault backpack.

- **Load Carrying:** Ergonomic back support system distributes weight evenly to reduce fatigue.
- **Versatile Capacity:** 30L volume suitable for 1-2 day missions, tactical operations, or short treks.
- **Modular Expansion:** Laser-cut MOLLE system enables attachment of extra
