### Description

#### Suited Systems "PIT-STOP DRESS" LINED THERMOCLOAK

The **PIT-STOP DRESS Lined Thermocloak** from Suited Systems is a multi-purpose insulated cloak designed for use in **harsh outdoor environments**. More than just a cloak, it can function as a **tent, poncho, sleeping bag, blanket, underlay, gear cover** and more. Durable loops and grommets allow it to be rigged up with paracord for shelter, while **heavy-duty zippers on all edges** enable it to be folded into a compact sleeping bag.

Made of multiple fabric layers, the Thermocloak is **moisture-resistant, IR-treated** to reduce visibility under night vision, and equipped with **zippered arm openings** for dexterity. It is lightweight, weighing only **1.5 kg**, and packs down to a compact **35 × 23 cm** pouch for quick stowing in just 10 seconds.

#### Aim of the Product

The PIT-STOP DRESS Thermocloak is designed to provide **versatile protection and concealment** in outdoor, tactical, and survival scenarios. It ensures warmth, comfort, and flexibility of use when conditions are unpredictable, making it an essential companion for those exposed to the elements.

## ORDER CONFIRMATION

---

- **Military personnel** - for static operations such as observation posts or sniper positions.
- **Hunters** - especially during long sessions in elevated stands.
- **Outdoor explorers and bushcrafters** - for camping, shelter-building, or emergency warmth.

## Product Use

- As a **cloak or poncho** for weather protection.
- As a **sleeping bag** when zipped, reducing heat loss.
- As a **tarp or tent** using reinforced loops and grommets.
- As a **blanket or ground underlay** in camp.
- As a **gear cover** for concealment and protection.
- For **thermal signature reduction** to help avoid detection by thermal optics (temporary effect).

## Specification and Technical Details

- **Unfolded size:** 220 × 110 cm
- **Packed size:** 35 × 23 cm
- **Weight:** 1500 g (3.3 lbs)
- **Sleeping bag mode:** 220 × 55 cm
- **Main material:** 100% Polyamide with PU silver coating
- **Lining:** 100% Polyamide
- **Insulation:** 100% Polyester
- **Comfort rating:** +12°C | **Limit:** +8°C | **Extreme:** -3°C
- **Included:** Waist belt, oversized moisture-resistant pouch

## Other Useful Information

- **IR treatment:** Special coating reduces reflection in infrared light, improving concealment.
- **Thermal signature reduction:** Cloak helps mask body heat from thermal devices, though effectiveness depends on use and conditions.
- **Versatility:** Tested with high-resolution thermal optics (pixel size 12 μm, NETD <20 mK), showing significant reduction in detectability.
- **Quick pack:** Can be stuffed into its pouch in about 10 seconds.
