## Description

The SuperFire M9-X searchlight delivers optimal illumination for a wide range of uses. With 440 lumens of brightness and a beam range of up to 390 meters, it's ideal for rescue missions, camping, or everyday use. The 5 light modes—strong, medium, weak, strobe, and SOS—provide versatile lighting solutions for any situation.

Powered by two 18650 batteries, the M9-X offers up to 150 minutes of operation and doubles as a powerbank for charging devices. Built from durable ABS plastic, it's drop-resistant up to 1 meter and rated IP31 waterproof.

Additional features include a folding bracket for stable placement, a hanging hook, and storage space for small tools. Weighing just 388g, the M9-X is lightweight, portable, and designed for maximum convenience.
