Description

Suunto MCB Trekking Compass

Precision Navigation for Trekkers and Outdoor Adventurers

The **Suunto MCB Trekking Compass** is a reliable, floating, and compact mirror compass designed for trekkers, hikers, and outdoor enthusiasts. It combines practical navigation features with precision to ensure safe and accurate direction-finding in remote environments. With a mirror for sighting bearings and emergency signaling, this lightweight compass is an essential tool for exploration.

Product Highlights:

- **Mirror for sighting bearings and emergency signaling**
- Compact and lightweight design - perfect for trekking and travel
- Sighting hole and notch for precise direction-taking
