All Swisseye sports glasses have shatterproof polycarbonate lenses. All of these products protect to 100% UVA-, UVB- and UVC-rays and offer the highest optical quality without distortion.

The combined antifog/antiscratch-coating prevents all lenses for steaming up and scratches (not available for all photochromic/polarized and bifocal lens/es. With the hydrophobic coating water rolls off the lens easily and particles are eliminated.

All models are produced according to the strict safety norm EN 12312-1 and offer 100% UVA-, UVB- and UVC protection.

### SwissEye

The brand Swisseye was founded in 1998 in Germany. Since this year the company has been a successful producer of

sports, leisure,

protection and special glasses that also sells sports glasses to optician shops. Today Swisseye supplies retailers in Germany as well as numerous customers abroad.

Swiss Eye International has built up a wide network in the specialized trade in Germany to present the high quality as well as innovative products on this market.

Our main promises are best quality, personal service and a safe future due to our constant product developments. The main aim for the next years will be to assure the national specialized trade as well as the international markets.
