Description

Swiss Eye E-Tac Multifunctional Headband / Microfiber Pouch

One accessory, two missions. Wear the **E-Tac headband** to keep sweat off lenses in the field, then cinch it closed to protect and wipe your Swiss Eye eyewear on the move. The soft microfiber fabric cleans anti-fog coatings safely and doubles as a dust-free storage pouch in your pack.

Key features

- **Multifunctional:** headband, lens cloth, transport pouch.
- **Universal fit** - works with all Swiss Eye models.
- **Microfiber knit** - non-abrasive, removes fingerprints and dust.
- Elastic opening with draw-cord toggle to secure glasses inside (glasses not included).

Specification

Material	High-density microfiber polyester
Colour	Black with Swiss Eye logo
Compatibility	Suitable for every Swiss Eye frame
Packaging	Headband / pouch only - eyewear shown for reference

Usage tips

- Slip over forehead or helmet to manage sweat and secure earpieces.
- After action, insert glasses lens-first, pull draw-cord – the cloth protects lenses in rucksack pockets.
- Machine-wash cool; air-dry to maintain microfiber structure.
