Description

Swisseye F-Tac Arctic Tactical Ballistic Glasses for Extreme Climate

The **Swisseye F-Tac Arctic** tactical ballistic glasses are designed for optimal performance in extreme climate conditions, such as arctic and tropical environments. These lightweight goggles feature advanced materials and coatings to ensure exceptional visibility, comfort, and protection.

Key Features

- Lightweight goggle design with an elastic and adjustable silicone-coated headband.
- Polycarbonate lens with **antifog** and **antiscratch** coating (certified to EN 166 F).
- Special inner lens layer to prevent fogging in extreme climates.
- 100% UVA, UVB, and UVC protection up to 400 nm.
- Optional RX clip (article 62112) for prescription glazing compatibility.
- Includes spare lenses in orange and clear.
- Comes with a protective case, microfiber bag for lenses, and a sleeve
