Description

Deluxe precision sharpening kit for professional demands. With blade fixing clamp, guide rail, angle adjustment device, stainless steel guide rods and four modules that are equipped with diamond grinding plates on both sides (grits 360, 600, 800, 1000). The following parts are also supplied in a solid case: non-slip base plate, fastening screws for the angle rail and fixing clamp.

Product features:

1. The sharpener is uniquely designed for sharpening double-sided edges simultaneously.
2. Four sets of diamond blocks can meet different needs of knives, including 360 #, 600 #, 800 # and 1000 #.
3. The sharpening angles from 15° to 30° are available for choice.
4. Uniquely structured clamp can easily hold various shapes of knives.
5. The clamp is specially processed to avoid damage to knives.
6. Special plastic box is offered for easy storage and carrying.

Box size 266*210*79 mm
