Description

The TF-2215 Crossover backpack is a multifunctional topper backpack. This high quality bag is made of Cordura 500DEN Nylon. Perfect as a daypack during outdoor activities such as hiking, bushcraft, vacation or just for everyday use. The TF-2215 Crossover Gen.2 backpack features one large compartment to carry all your gear. This backpack also protects your gear from rain due to the integrated rain cover in the bottom of the backpack.

Features:

- Large compartment
- Top loader design Backpack
- Ergonomically adjustable carrying straps
- Padded back with shaped cushions for better airflow
- Double closure strap to secure the hood closure
- Carrying handles, 1 on each side
- Zippered pockets on each side of the waist band
- Integrated zippered compartment in top of the hood
- Compression straps
- Elasticated pockets on the sides of the backpack
- YKK zippers and ITW buckles

This is Gen. 2 backpack, improved on the following points:

- Thicker and improved carrying straps
- Better and sturdier padded back-panel with improved mesh
