Description

Task Force 2215® Modular Vest / Plate Carrier - Ranger Green

The **Task Force 2215® Modular Vest / Plate Carrier** is designed with maximum **customization and modularity** in mind. Offering both **MOLLE webbing** and **hook-and-loop panels**, this vest allows you to attach traditional MOLLE pouches as well as modern hook-and-loop equipped pouches, giving you full flexibility to tailor your loadout to the mission.

Made of **durable Cordura® Nylon 500D**, this vest combines ruggedness, comfort, and adaptability. Whether for airsoft, training, or professional tactical use, it is engineered to meet the needs of demanding users who value reliability and modular setup options.

Key Features

- Combined **MOLLE + hook-and-loop chest panel**
- Compatible with modular chest pouches with buckles
- **Cummerbund with hook-and-loop closure**, featuring 3 slots per side for magazines, tools, or a tourniquet
- Combined MOLLE + hook-and-loop **back panel**
- **Padded shoulders** with mesh liner for comfort
- Accepts most **SAPI plates**
