## Description

LYNX

The MOLLE system on the front and sides is laser cut. The lightweight padded shoulder straps can be detached and kept in a velcro pocket on the bag, and the rucksack comes with webbing so it can be adapted to a panel carrier or waistcoat. Stowable carrying handles for high-speed transportation in an emergency.

Detachable shoulder straps; Large handle for carrying when open; Internal variable fixation points to store medical equipment; Scissors bag; Clear inside pockets identified by coloured Velcro; Integrated visual markers; Inner detachable plate with elastic loops; Laser cut MOLLE system; Comes with adapter straps for direct attachment to protective vests; Length adjustable stowable shoulder straps make carrying large body armour possible.

Measurements: 46 x 28 x 8,5 cm Volume: 15 l Weight: 1,50 kg Fabric: CORDURA® 700 den
