ORDER CONFIRMATION

the users' specific needs and requirements.From prototype to series production, all products are manufactured in the company's own production facilities. This ensures that a consistently high level of quality is maintained. Every step in the production process, from purchasing materials to manufacture to the final checks, is precisely defined and checked regularly by independent test centres to international standards. Every product is checked before it leaves production and is given a serial number that is then stored in the company's own database.You can rely on TASMANIAN TIGER products - anywhere, any time.
