Description

With the TT First Aid Complete MK II pouch, Tasmanian Tiger has put together the perfect package for medical missions. The pouch is equipped for missions up to 7 days for 1-4 people, but is also more than useful as a first aid kit for home use. The pouch can be carried by the handle or attached to a backpack or vest using the M.O.L.L.E. system on the back. The circumferential zip makes it easy to open the pouch completely, so that the contents can be accessed quickly and with a fast identification of all items. The fleece area on the front can be used for patches or labelling. The contents of the TT First Aid Complete MKII are made up as follows:

Contents of the tt first aid complete MKII

- 3x SAN wound compress 10 × 10 cm, non-adhesive
- 1x medium-sized bandage pack, non-adhesive compress
- 1x large bandage pack, non-adhesive compress
- 1x Leukoplast® wound plaster 50 × 6 cm
- 1x fixation plaster 30 × 15 cm
- 1 roll of sport tape 10 m × 2,5 cm
