Description

The 7.1 group of new Tasmanian Tiger accessory pouches includes the largest universal pouches in the range. Measuring 15 x 24 x 6 cm, the TT Tac Pouch 7.1 is not only large enough for small items and important documents, it is also easy to organize it: Thanks to a long zip, the pouch can be opened widely for easy packing. Inside, small items can be neatly organised in the mesh pocket and there are numerous elastic loops and a strap system for attachment. A loop panel is inserted to which small items or patches can be attached. A flat zipped pocket is sewn into the front, which can be used for documents such as ID papers. The CORDURA 700 den is, of course, a must in typical Tasmanian Tiger quality. The bag attaches vertically to a belt and requires four M.O.L.L.E. loops.
