Description

First Aid Complete - Perfect first aid equipment for all outdoor activities.

The First Aid Complete is designed for tours up to 7 days and for 1-4 persons.

Tatonka recommends this set especially for alpine use. Specially designed for outdoor emergencies.

The First Aid line from TATONKA was developed in cooperation with Outdoorschule Süd e.V., the largest provider of outdoor emergency management in German-speaking countries. Its equipment and handling are specially designed for emergencies in the great outdoors.

The enclosed "Outdoor cheat sheet" gives a concise and clear guideline for the correct behaviour in emergencies in the wild. The enclosed checklist facilitates "fill level control" and serves as a reminder for necessary additions to consumables.
