ORDER CONFIRMATION

- **Cordura® 500 D + 500 D laminate** - tear & abrasion resistant.
- **IRR-treated** - reduced infrared reflection for NVG stealth.
- **Full Velcro® back-panel** - attaches directly to carrier cummerbund flap.
- **Internal sleeve** - sized for typical NIJ Level IIIa groin inserts.
- **Made in EU** - laser-cut precision, quality stitching.

Specification

Material	Cordura® 500 D & 500 D laminate
Finish	IRR compliant (Infra-Red Reflectance)
Mounting	Hook field on rear • loop field on carrier
Weight	≈ 85 g (empty)

*Always verify dimensions of your soft insert before purchase.

What is "soft ballistic"?

Soft armor panels are flexible layers of aramid or PE fibres designed to stop handgun rounds and fragments. They add protection without the bulk of a hard plate. *Panel not included - use any NIJ-certified groin or abdomen insert of matching size.*
