Lightest 2 person tent.

1-4 Weeks

Description

The same classic Voyager design, but with a Terra Nova 'Ultra' fabric flysheet. This makes the Voyager Ultra 2 over 50% lighter than the standard Voyager tent!

- ▶ The tent has been designed for adventure racing and short duration events where ultra light kit is required
- ▶ The semi- geodesic structure means the Voyager is free-standing making it ideal for situations where extra stability is required or ground conditions make pegging out difficult
- ▶ Comfortably sleeps 2 people and has a generous porch for gear storage
- ▶ Constructed in the UK, the ULTRA flysheet is made using super strong bonded seams

Please note: the Voyager Ultra 2 is designed for short duration events of 1-2 nights

Important Information

This product is made from our superlight and strong waterproof ULTRA fabric. The lightweight nature of this fabric can cause unique patterns and inconsistency in its colour and shade. This is perfectly normal and does not affect the performance of the product in any way.

Guarantee

This Terra Nova product is guaranteed to the original owner against defects in materials and workmanship for the lifetime of the product.
